

The benefit of **RECYFIX**®NC channels

High stability

- stable, durable ductile iron grating
- high quality ductile iron
- 8-fold bolted

= Security

Standards and approvals

- certified to EN 1433
- CE-marking

= Security

Low weight ensures easy handling on site

- much easier handling on site compared to channels made of polymer concrete
- very easy handling and installation
- maximum stability with minimum weight

= Cost savings

prefabricated ready to install

- channel and grating = one part
- no single parts
- easy handling in stock and on site
- cost-effective transportation

= More earnings

High-grade material

- RECYFIX - stable and almost unbreakable
- flexible and particularly resistant material
- withstands high traffic loads and temperature differences in daily use

= Security
